Our Mission

The mission of First Unitarian Portland is to create a welcoming community of diverse individuals; to promote love, reason, and freedom in religion; to foster lifelong spiritual growth; and to act for social justice.

Our Vision

First Unitarian Portland is a beacon of hope for us and for our community, a spiritual center in the heart of our city that helps each of us to find our moral compass, calling and challenging us to build the beloved community with an ever-deepening sense of spirit, diversity, and inclusion.

The American Civil Liberties Union of Oregon (ACLU of Oregon) is the shared plate recipient for July. The ACLU of Oregon defends and advances freedoms of press, speech, assembly, and religion, and the rights to due process, equal protection, and privacy.
