Our Mission

The mission of First Unitarian Portland is to create a welcoming community of diverse individuals; to promote love, reason, and freedom in religion; to foster lifelong spiritual growth; and to act for social justice.

Our Vision

First Unitarian Portland is a beacon of hope for us and for our community, a spiritual center in the heart of our city that helps each of us to find our moral compass, calling and challenging us to build the beloved community with an ever-deepening sense of spirit, diversity, and inclusion.

Text and translations for choral music in our services are on our website under Worship/Music Ministry.

For the month of May, we share our plate with Outside In who provides meals, behavioral health, addiction treatment, and healthcare for youth and marginalized people experiencing houselessness. During the pandemic response, we also share our space with Outside In for their food pantry and free food market.
