Our Mission:

The mission of First Unitarian Portland is to create a welcoming community of diverse individuals; to promote love, reason and freedom in religion; to foster lifelong spiritual growth; and to act for social justice.

Our Vision:

First Unitarian Portland is a beacon of hope for us and for our community, a spiritual center in the heart of our city that helps each of us to find our moral compass, calling and challenging us to build the beloved community with an ever deepening sense of spirit, diversity and inclusion.

First Unitarian Church Goals

3- or 5-Year Church Goals are created in collaboration with the congregation and Executive Team and adopted by the Board. They reflect the mission and vision of our church. Church goals are primarily carried out by the Executive Team and staff, collaborating with the Board. Board 1-3 Year Goals are created by the Board and Executive Team at its yearly Retreat. Board goals may draw from the 3-5 Year Church goals yet reflect work within the purview of the Board.

<u>Provisional</u> First Unitarian Church Three Year Goals

Provisional Church goals for 2021-2024 were approved on 10/7/2021 and will be verified by the congregation in a Board Forum on 11/14/2021.

As we work to embrace our call as a justice-seeking community in the emerging post-pandemic era, we recognize the unique value First Unitarian Church and liberal religion bring to Portland and the larger community. We will:

- Successfully complete the ministerial transition and establish covenantal relationships among the new minister, the congregation, staff, and Board.
- Take the next steps toward living into the 8th Principle by examining all parts of the church structure to ensure we are accountably creating a multicultural and anti-racist environment where each person is welcomed and finds connection.
- Create a long-term plan for development and sustainability of the church campus given congregational needs and resources, community needs, and the evolving dynamics of downtown Portland.
- Enhance and promote an ever-growing culture of generosity and financial sustainability.

Board 1-3-Year goals (need be updated when new Church goals are approved)

- 1. Continue to examine the ways in which power, privilege and White supremacy culture affect our church, including our board work, to include:
 - a) Educating ourselves on the issues, such that we can support the development of this work in the congregation.

- b) Taking steps to improve our practices and model antiracist behavior. This will include:
 - i. Evaluating how we enact policy-based governance in a manner that actively dismantles White supremacy culture in our board and in our congregation.
 - ii. Exploring and considering endorsing the adoption of the 8th Principle through its addition to our bylaws.
- 2. Holding the mission of the church, engage in ongoing, generative conversations with the Executive Team and the congregation to:
 - a) Develop understanding of the church that's emerging, as well as the pastoral needs and continuing connections among congregants in the church that is
 - b) Approve a revenue plan to sustain the mission of the church in current and emerging contexts
 - c) Lead the congregation in development of 5-year church goals
 - d) Consider viable options for maintenance of our current physical plant and future development of the campus to meet the needs of the emerging church
- 3. Governance committee will review and possibly recommend changes to the bylaws as they relate to size of Board, and definition of pledging member in board policies.
- 4. Continue to support the Ministerial Search Committee and the transition to a new Senior Minister.

Consent Agenda

• Approve Evaluation of Ministry

Marylin Mays moved and Theo Harper seconded a motion to approve the Consent Agenda. The motion carried with a unanimous vote.

Discussion Items:

- The board had some brief preparatory conversation for the upcoming discussion on Nov. 15 regarding data sources for comparable salary and benefits to consider for approval for new Senior Minister compensation. Leila provided related information to Mindy via email to share at upcoming meeting. [No related action.]
- Postponing conversation on Board size to next year
 - Mindy summarized prior conversations regarding potential for board size change, noting that if we were looking to make a change, it would occur through congregational ballot in May.
 - A minimum of three board members will be leaving the board this year, and those positions would be refilled by Nominating Committee.
 - If delaying, we would put proposal on the ballot in 2023, which would change the size in the 2023-24 church year and would require a larger conversation about how to achieve that board size (attrition, etc.).
 - Discussion:
 - Sense that we have discussed this at length. May be time to call the question.
 - Concern that prior discussion might be lost if we postpone.
 - With new minister, returning to in-person church, etc., we may be in the midst of so much change that we may need to postpone discussion. It may need more attention and thought.
 - Valuable to discuss with new minister.

- In the process of evaluating the work of the board relative to the 8th Principle, which would behoove our waiting to discuss about board size: What does the 8th principle have to say about board size?
- Will require a lot of education with congregation, and could get easily lost in the noise and not well understood, given all else in congregation's attention.
- Proponent of a smaller board, that said, need to think about how to resource functions that board holds (e.g. congregants on finance committee). As part of letter to new minister, signal that we are open to changing our leadership structure and size of board to improve inclusion.
- Informal poll: Seven in favor of postponing board size conversation, three in favor of having conversation this church year.
- It may be helpful to have a couple of hours of conversation this church year - BOC will discuss and provide proposal.

Action Items:

- Replacing Brad Taylor
 - Brad Taylor has resigned from the board. Mindy reached out to other board members who might be interested in serving as Secretary. No standing board members were interested. Following conversation with the Board Officers Committee and the Executive Team, Mindy was encouraged to reach out to former board members who might be willing to serve the remainder of Brad's term.
 - Mindy spoke to Ameena Amdahl Mason, who is willing to take on the role for the remaining 9 months of Brad's term.
 - Mindy Clark moved and Adam House seconded a motion to elect Ameena Amdahl-Mason to Board of Trustees and elect her as Secretary of the Board. The motion carried with a unanimous vote.

Generative Discussion: Revising Board goals to align with Church goals

- Current 1-3 year church goals:
 - As we work to embrace our call as a justice-seeking community in the emerging post-pandemic era, we recognize the unique value First Unitarian Church and liberal religion bring to Portland and the larger community. We will:
 - Successfully complete the ministerial transition and establish covenantal relationships among the new minister, the congregation, staff, and Board.
 - Take the next steps toward living into the 8th Principle by examining all parts of the church structure to ensure we are accountably creating a multicultural and anti-racist environment where each person is welcomed and finds connection.
 - Create a long-term plan for development and sustainability of the church campus given congregational needs and resources, community needs, and the evolving dynamics of downtown Portland.

Enhance and promote an ever-growing culture of generosity and financial sustainability

Current board goals:

- 1. Continue to examine the ways in which power, privilege and White supremacy culture affect our church, including our board work, to include: a) Educating ourselves on the issues, such that we can support the development of this work in the congregation. b) Taking steps to improve our practices and model antiracist behavior. This will include: i. Evaluating how we enact policy-based governance in a manner that actively dismantles White supremacy culture in our board and in our congregation. ii. Exploring and considering endorsing the adoption of the 8th Principle through its addition to our bylaws.
- 2. Holding the mission of the church, engage in ongoing, generative conversations with the Executive Team and the congregation to: a) Develop understanding of the church that's emerging, as well as the pastoral needs and continuing connections among congregants in the church that is b) Approve a revenue plan to sustain the mission of the church in current and emerging contexts c) Lead the congregation in development of 5-year church goals d) Consider viable options for maintenance of our current physical plant and future development of the campus to meet the needs of the emerging church
- 3. Governance committee will review and possibly recommend changes to the bylaws as they relate to size of Board, and definition of pledging member in board policies.
- 4. Continue to support the Ministerial Search Committee and the transition to a new Senior Minister.
- Questions for small group discussion:
 - Look at your goal relative to Church goals. Decide if the goal should be kept. If so, does it need to be updated, revised?
 - Are there other goals we need to add?
- Discussion:
- Group 3:
 - Goal 3 is complete.
 - Consider what we know from our covenantal relationship with the ET to model similar relationship among the board and congregation. Focus on inclusion with respect to 8th Principle.

Closing comments, items for future agendas

None noted

Communication Check:

- Plug for Board Forum on November 14
- Election of Ameena to Board (Moderator Letter)
- Mindy to email Ameena to welcome her

Process Observations:

- At some point, we digressed a bit, but we returned to order, with space allowed for the digression to go where it needed to go
- Seemed like a low-key meeting, people are being gentle with one another and kind
- Maybe there's a way to have difficult conversations and still be kind and gentle and thoughtful with each other.
- Appreciate Bill's reflections
- Acknowledge the trust that we've built together which allows for easier decision making together

Closing Words: Cindy Cumfer read from *Braiding Sweetgrass* by Robin Wall Kimmerer. Meeting adjourned at 8:50 pm.

Minutes respectfully submitted: Ryan Deibert, substituting as Secretary

Acceptance of Last Meetings Minutes - accepted

Report on To Do list on Last Meetings Minutes

- Mindy final formatting of 2021 Bylaws revisions and coordination with Kathryn on posting location – competed in meeting
- Ryan to invite ET into discussion regarding three-year ET review
- Ryan to complete final draft of Evaluation of Ministry for board review and adoption (Completed: see <u>final adopted evaluation report here</u>)
- Cindy to review safe church policy and make recommendations (Completed: see <u>draft</u> revisions here)

Agenda Items:

- 1. Centering practice to transition to generative work (Ryan)
- 2. **Generative discussion, part 1 Questions for other boards**. At the October BLT meeting, several of you began a conversation regarding <u>questions that we might like to explore</u> in conversation with boards of other congregations who have adopted the 8th Principle. BLT asked that we continue the conversation at GovComm.
- How has adopting the 8th Principle effected leadership, leadership training, and development?
- 3. Generative discussion, part 2 8th Principle and Pillars of Gov. Comm.: Implications for Board Policies and Church Bylaws. This is an open time to begin developing questions, early leanings, and potential action that we may be called to pursue as we begin to evolve and adapt our board policies and church bylaws to better embody the 8th Principle. Cindy has provided an excellent summary of a recent conversation led by Paula Cole Jones with six other congregations, including Cindy's reflections on how some of our policy-based governance model may already be reflecting 8th Principle-oriented practice.

-Questions & Wonderings

- We use the Carver Model for policy based governance we have not always governed this way.
- o How do we build in accountability to our policies and bylaws?
 - Who holds the power?
 - Should a body hold power of accountability?
- o Can we frame policies and bylaws with covenant language instead of law language? (lots of energy around this one)
 - Builds in accountability.
- 4. Plan December agenda Our next meeting will be Wednesday, December 8.
- a. Mindy is scheduled for words
- b. Someone to lead deepening/opening practice? reach out to Ryan with ideas for deepening practice.
- c. Continue generative discussion on 8th Principle and Pillars of Gov. Comm. with focus on Evaluation of the Ministry and/or Board Self-Evaluation?

Call to Order at 5pm

Opening words from Jo Ann Foor {Mother Theresa passage}

Agenda reviewed by Andy Wilson M/S/C approval of October minutes

Follow-up from Pledge Process Audit (Andy)

Andy and Pat Malone held a Zoom call with the congregant who initially reported a problem with pledge processing. We shared the executive summary of the committee report. Pat did an excellent job of summarizing the findings and answering questions about how pledges and payments are processed. The congregant seemed satisfied that their input had been taken seriously.

October financials (Kathryn)

2022 pledge drive results to date are running at \$1,434K toward a goal of \$1,575K, i.e., we are at 91% of goal. Very similar to last year where we were at 92% of goal at the same point in the pledge drive. There are approximately 150 LYBUNTs (Last Year BUt Not This) who are yet to pledge. Bill, Tom, and the Board will reach out to contact people.

Q. Why do we show such a big difference in year-to-date program income this year versus 2020? A. We may have held pre-Covid events with donations in 2020, e.g. Seminary for a Day. Katherine to check.

Suggestion that the monthly report would be easier to understand if the reconciliation for PPP income is shown only at bottom line. Kathryn agrees.

Question whether we find the ancillary information in the monthly finance report (new membership, attendance, plate contributions) useful. Consensus answer is yes, it is a good way to take the temperature of the congregation.

ET report (Kathryn)

Zaida will retire at the end of the church year. Katherine is working with the Accounting Advisory Committee on a transition plan. The plan will be reviewed with Finance Committee (especially any operational impact) and presented to the Board.

Opens

Discussed the need for the regularly scheduled December committee meeting. End of year reports will not be ready. However, Kern Thompson, our auditors, will have released the audit of the previous church year and will want to present them at the January 2022 Board meeting. Decision is to have Finance Committee review the audit report (expected presently) via email before the Board meeting. Therefore, the standing December meeting is conditionally cancelled unless new agenda items arise.

No other new business.

Andy to provide January words.

Closing Words (Jo Ann)
