Our Mission

The mission of First Unitarian Portland is to create a welcoming community of diverse individuals; to promote love, reason, and freedom in religion; to foster lifelong spiritual growth; and to act for social justice.

Our Vision

First Unitarian Portland is a beacon of hope for us and for our community, a spiritual center in the heart of our city that helps each of us to find our moral compass, calling and challenging us to build the beloved community with an ever-deepening sense of spirit, diversity, and inclusion.

Text and translations for choral music in our services are on our website under Worship/Music Ministry.

For the month of May, we share our plate with East County Rising Community Projects (ECRCP). ECRCP develops and harnesses the community's power through civic engagement, organizing and leadership training to create an equitable and living community centered to the needs of the most underrepresented and marginalized residents.
