Our Mission

The mission of First Unitarian Portland is to create a welcoming community of diverse individuals; to promote love, reason, and freedom in religion; to foster lifelong spiritual growth; and to act for social justice.

Our Vision

First Unitarian Portland is a beacon of hope for us and for our community, a spiritual center in the heart of our city that helps each of us to find our moral compass, calling and challenging us to build the beloved community with an ever-deepening sense of spirit, diversity, and inclusion.

For the month of September, we share our offering with [Sunrise Movement PDX](#).

Sunrise began with a group of young people heeding the call to create a space in Portland's climate justice community for youth to come together and uplift each other's voices.
