Sunday, April 14, 2024

Dear Ones,

While each of our weekly worship services is a special event to which all are warmly welcome, this coming Sunday's will be uniquely important. It's our annual YRUU youth service!

Children and youth grades 5 and up are encouraged to attend to support their peers and get a glimpse of what they will one day get to participate in creating. Younger kids are absolutely invited to be in the sanctuary as well, and we have our regular nursery care, preschool RE class, and a K-4th grade Game Day for those who prefer that option.

I hope everyone will join us for cupcakes in Fuller Hall following the service. Let's celebrate our teens!

See you soon,

Leah

Never Too Late for Gratitude

Thanks to the children, youth, and RE leaders who participated in last Sunday's ritual of appreciation for all our teachers and other Learning Community helpers. If you volunteered in RE this past year and missed out on getting your gift of a home chalice, please stop by the RE Workroom on Sunday and pick one up. We are grateful for you!
